Reisebeschreibung

We are looking forward to our first "MILONGA - SPECIAL" Tango Days with Patricia and Matteo at the

2023-P-M-Jagstmill

Jagst mill. Centrally accessible from many places in Germany, as well as in the heart of the beautiful Jagst Valley, lies our Tango Hotel, the Jagst mill.

Patricia Hilliges & Matteo Panero teach the intensive courses with the theme "Milonga". Many participants of our previous trips with the two of them have repeatedly asked us to focus on milonga. Now the time has come: Let's look forward to the friendly and entertaining lessons of Patricia & Matteo in the light-flooded hall on 100 sqm of the best parquet floor!

During the day there are lessons either in the morning or in the afternoon and this is supplemented by accompanied practicas to deepen what you have learned.

Many years ago, the Jagst mill was converted into a cosy country inn and extended by another modern garden house with luxurious guest rooms. Our hotel is secluded and very quietly located on the Jagst, a tranquil little river. Here, in the gourmet region of Hohenlohe in Baden-Württemberg, many gems can be found in the castles, churches and small towns. Around the Jagst mill, there are opportunities for relaxing winter walks along the Jagst. Not far from the Jagst mill we find many places of interest. Picturesque little towns such as Rothenburg ob der Tauber or Schwäbisch Hall with its museums, as well as magnificent castles such as Weikersheim Castle can be visited. Or you can simply relax with "doing nothing" besides the tango...

A well-kept country hotel with a lot of flair awaits us in the cosy rooms of the mill and the guest house. We start the day with a delicious breakfast from the buffet and the best ingredients from the region. In the evening, a traditional, regional 3-course menu awaits us. At the Jagst mill, care is taken to ensure that the food comes from the region and it is cooked with care and circumspection: high regional quality instead of showmanship.

A vegetarian option can also be chosen on request.

NEW: From 2:00 p.m. to 5:00 p.m. there will be a "snack" for all participants with salty & sweet snacks, fruit & cake, as well as coffee, tea & soft drinks. This is also included in the travel price, as is the minibar, which is refilled daily.

In contrast to our tango hotels in Styria and the Ötztal, there is no wellness area/sauna at the Jagst mill, but you will find peace & relaxation in nature. In addition, we are spoiled with high-quality slow-food cuisine. Those who appreciate this will feel completely at home at the Jagst mill.

Our dance hall is located in the main house and is bright and flooded with light. It is 100 square metres in size and has a beautiful parquet floor, as well as floor-to-ceiling windows with a view of the garden.

There are two room categories to choose from:

The standard rooms "Mühle" are cosily furnished in country house style and are located in the three-storey main house (no lift).

The deluxe rooms "Garden" are spacious, as well as bright and very high-quality and cosy furnished. They are located either in the guest house or in the Jagsthütte, approx. 70 metres from the main house with a view of the garden in a quiet location. The Deluxe rooms have a balcony or terrace and a spacious bathroom.

Tango

Tango mit Patricia & Matteo:

Patricia Hilliges & Matteo Panero are based in Florence and have been teaching together since 1998. They dance an elegant Tango de Salon, which they enrich with innovative elements - imaginative and musically appropriate. They teach didactically experienced with a lot of wit even demanding contents.

A total of 9 hours of lessons and practicas are planned with Patricia & Matteo. Patricia and Matteo both speak German and Italian.

MILONGA will be taught during the trip to the Jagstmühle.

The classes and the milongas will take place in the hotel hall with a very good parquet floor. In the evenings we transform the hall into an atmospheric milonga. The hall is 100 square metres in size and can be air-conditioned.
