Reisebeschreibung

We are very happy that we were able to get another appointment for our tango holidays in the Jagstmühle. Martin la Bruna & Andrea Bestvater will teach.

2023-Martin-Jagst

Our Tango Hotel, the Jagstmühle, is centrally accessible from many places in Germany, and in the heart of the beautiful Jagsttal. In early summer, when everything is green and blooming here, it is a pleasure to spend a leisurely tango holiday on the Jagst. Cycling, walking, sitting in the garden, relaxing, enjoying culinary delights AND dancing the tango.

The theme of this trip will be: connection in couples. Let's find each other through clear guidance and enrich our dance with sophisticated decorations. If the leader gives the time for this, then exciting moments arise in the couple and in the common dance. In the intensive courses by Martin & Andrea we discover many refreshing "kicks"...

Let's experience professional tango lessons in the unique ambience of the Jagstmühle and let's enjoy this time out with tango: during the day in the light-flooded hall on 100 square meters of the best parquet floor and in the evening with our atmospheric milongas.

Many years ago, the Jagst mill was converted into a cosy country inn and extended by another modern garden house with luxurious guest rooms. Our hotel is secluded and very quietly located on the Jagst, a tranquil little river. Here, in the gourmet region of Hohenlohe in Baden-Württemberg, many gems can be found in the castles, churches and small towns. Around the Jagst mill, there are opportunities for relaxing winter walks along the Jagst. Not far from the Jagst mill we find many places of interest. Picturesque little towns such as Rothenburg ob der Tauber or Schwäbisch Hall with its museums, as well as magnificent castles such as Weikersheim Castle can be visited. Or you can simply relax with "doing nothing" besides the tango...

A well-kept country hotel with a lot of flair awaits us in the cosy rooms of the mill and the guest house. We start the day with a delicious breakfast from the buffet and the best ingredients from the region. In the evening, a traditional, regional 3-course menu awaits us. At the Jagst mill, care is taken to ensure that the food comes from the region and it is cooked with care and circumspection: high regional quality instead of showmanship.

A vegetarian option can also be chosen on request.

NEW: From 2:00 p.m. to 5:00 p.m. there will be a "snack" for all participants with salty & sweet snacks, fruit & cake, as well as coffee, tea & soft drinks. This is also included in the travel price, as is the minibar, which is refilled daily.

In contrast to our tango hotels in Styria and the Ötztal, there is no wellness area/sauna at the Jagst mill, but you will find peace & relaxation in nature. In addition, we are spoiled with high-quality slow-food cuisine. Those who appreciate this will feel completely at home at the Jagst mill.

Our dance hall is located in the main house and is bright and flooded with light. It is 100 square metres in size and has a beautiful parquet floor, as well as floor-to-ceiling windows with a view of the garden.

There are two room categories to choose from:

The standard rooms "Mühle" are cosily furnished in country house style and are located in the three-storey main house (no lift).

The deluxe rooms "Garden" are spacious, as well as bright and very high-quality and cosy furnished. They are located either in the guest house or in the Jagsthütte, approx. 70 metres from the main house with a view of the garden in a quiet location. The Deluxe rooms have a balcony or terrace and a spacious bathroom.

Tango

Tango mit Martin und Andrea:

Martin La Bruna und Andrea Bestvater lives in Buenos Aires and have been spending a few months a year in Europe for several years. With a lot of sympathy and joy in teaching, the two succeed in giving each course participant the right feeling for the tango. Their lessons are characterized by humor and the noticeable joy in conveying her very aesthetic tango style. Their attention to each and every couple always makes participants feel like they are the center of their interest. They both know how to teach in such a way that you can have fun and come back with a sense of achievement. Your teaching language is easy to understand in English.

Martin and Andrea have already been on Tango trips with us several times and have excited every time anew, because their teaching is particularly natural and warm.

Even for tango beginners with basic knowledge, they offer well-founded basic work with a very good didactic structure. A total of 10 hours of lessons with Martin and Andrea are planned. In the evening we dance tango in the beautiful rooms of our hotel.

Martin and Andrea teach clearly in English.
