Reisebeschreibung

2023 is finally here again! We are very happy about the continuation of our Milonga days with Amanda

2024-Milonga-Chiemsee

& Adrian Costa at the beautiful Chiemsee. The wonderful location directly on the lake, the beautiful estate with its large park, the beautiful dance hall with the best floor and the cosy rooms simply form a perfect environment for a tango holiday.

Thus, the Milonga Days with the theme "Milonga - get the groove" finally find their continuation after a three-year break. This trip with the special theme "Milonga - get the groove" will take place after the Easter Tango Days: Amanda and Adrian Costa will focus specifically on the rhythmic subtleties and the many variations of the milonga: grounded, connected to the partner and the music, playful and refined, "simply danced", guaranteed with a lot of fun and a new lightness in the dance! In the prácticas we actively work out possible step combinations together. Much emphasis is also placed on "social dance": dancing in the direction of the dance with respect for all others and without stressing yourself out.

After dinner we continue with an atmospheric milonga.

There are many opportunities to be active. Cycling tours or walks along the lake, a boat trip to the islands of Herrenchiemsee and Frauenchiemsee or excursions to Rosenheim or nearby Salzburg are all possibilities. But also in Aiterbach itself you can enjoy a relaxed Easter - whether at an extensive Easter brunch followed by a milonga or relaxing in the beautiful park of the estate.

This trip can be combined with: [Tango de Salón - Rhythm and Musicality à la Buenos Aires from Mar 27 -Apr 2,2024](#)

Aiterbach is the perfect place for a "time out": away from stress and the hectic pace of everyday life! It was once the summer residence of a well-known Munich family of architects and artists. Later, the house was prudently renovated and extended, creating an exciting mix of tradition and modernity. Our participants are thrilled by the unique ambience every time.

The centre of the Aiterbach ensemble is the main house in Munich Art Nouveau style. Here you will find some of the rustically furnished guest rooms and studios. Cosy parlours invite you to linger. Breakfast and dinner are served buffet-style in the main house. The sun terrace offers a magnificent view of the lake and the overwhelming Alpine panorama. The spacious park with direct access to the lake is a wonderful place to relax. In the new building there are modern and tastefully furnished superior guest rooms, as well as the light-flooded hall with parquet floor, where our tango events take place.

Note on room furnishings:

Superior rooms:

You can choose from rooms in the new building with a direct view of the lake or with a side view towards the garden or the boathouse. These are modernly furnished rooms with a double bed and a beautiful bathroom with shower/toilet. There are rooms on the 1st floor or 2nd floor with an elevator.

Standard rooms:

These are located in the main house. They are rustically furnished and offer either a view towards the park and the lake or towards the street. There is no lift in the main house.

In addition, studios can be requested. These are maisonette style rooms with a bedroom and a separate small living area.

Tango

Amanda and Adrian Costa:

With Amanda and Adrian, the highest Tango Argentino enjoyment is pre-programmed. The two dance extremely harmoniously to the music and wonderfully elegantly. Rhythm and clarity in dance are particularly close to their hearts. It is hard to resist the fascination of their aesthetics. With Amanda and Adrian there is no "figure acrobatics", but smart step play, which results from attentive listening to the music and its interpretation. Their credo: "Tango is not a figure, tango is a feeling". Especially their way of dancing milonga with a lightness, effervescence and visible joy makes the hearts of the audience beat faster.

Amanda and Adrian teach in English and are easy to understand.

"Milonga Challenge":

From Tuesday to Sunday there are eight hours of lessons and prácticas on the theme "Milonga - get the groove": Without fixed step patterns in your head, but instead with a new lightness in your feet, you learn to "dance" instead of "move", whether with or without traspie, doubling or halving, in any case grounded and with a lot of feeling. The courses are suitable for all dancers with three years of dance experience or more. There are two course groups, the group division is done by Amanda & Adrian. The prácticas are held together for both groups.

The classes as well as the milongas take place in the beautiful hall with parquet floor and a wonderful view of Lake Chiemsee.
