Reisebeschreibung

Our new travel destination: Come with us to the Black Forest in the picturesque Kinzig Valley. Look forward to the "Milonga Challenge" with Patricia Hilliges & Matteo Panero!

2026-Black-Forest

We are delighted to be offering a tango trip to the Black Forest for the first time. During our visit in spring last year, we immediately felt so comfortable that we immediately decided to offer a tango trip here. Now the time has come!

Our new tango hotel will inspire you: In the middle of the picturesque Kinzig Valley, at an altitude of 600 meters in a secluded panoramic location, an exceptionally beautiful and chic hotel awaits us for our tango vacation with Patricia & Matteo.

The Milonga Challenge: Danceable step combinations, rhythmic subtleties of the Milonga Lisa & Traspicé are taught by Patricia & Matteo. In addition to lessons in small groups with a maximum of 9 couples, there are practicas to deepen what has been learned. And in the evening the Milonga awaits you! Of course also with Tango & Valse...

The area around our hotel offers a wide variety of activities. Picturesque small towns like Gengenbach can be visited or you can simply enjoy the nature around our hotel. Whether as a relaxed walk or leisurely on an e-bike. The Black Forest is definitely worth a trip. Since the hotel is at a pleasant altitude, you can enjoy the summer freshness in August to the fullest.

Surrounded by forests and meadows, the 4-star hotel, newly built in uniquely modern architecture, offers a wonderful view of the valley.

The combination of light local wood & glass, contemporary design & cozy comfort makes this hotel a unique place and a perfect location for our tango trip. There are many cozy seating areas, a large terrace with an adjoining beer garden and in the 160 sqm tango hall we can enjoy brightness and beautiful views. We dance in a light-flooded room with floor-to-ceiling windows and direct access to the garden. The dance floor is approx. 9 x 13 m with parquet flooring. The hall can be air-conditioned if required, which makes dancing pleasant even in summer.

The main building contains a number of guest rooms, as well as the restaurant and dance hall. Connected by an underground passage, you can reach the deluxe rooms and the small wellness area with sauna & natural swimming pool in the spacious garden.

In the morning we enjoy our breakfast buffet and in the evening a three-course menu with seasonal dishes is served, including vegetarian options. We have reserved the cozy Black Forest "Stübli" for ourselves: furnished with lots of wood, a tiled stove and a large, original cuckoo clock.

During the day, the restaurant invites you to a light lunch or coffee & Black Forest gâteau, while the public beer garden attracts numerous hikers and mountain bikers from the region as an attractive day trip destination.

The rooms offer the most modern comfort: soft colors, high-quality materials and lots of light wood ensure a feel-good atmosphere from the first minute. The beautiful deluxe rooms are located in the annex, which is connected to the main building by an underground passage. They are very spacious at 30 square meters. From the covered balcony or terrace, the view of the greenery offers additional relaxation in the middle of nature. The rooms are furnished to a very high standard and, in addition to the sleeping area, also have a nice seating area with a sofa.

The superior rooms in the main building are smaller at around 18 square meters, but are also designed to make you feel comfortable. These are located on the 1st floor of the main building, have a balcony and look out over the valley. The standard rooms with a balcony face the parking lot. All rooms have an open glass bathroom, which can also be closed with a curtain, and a separate closed toilet. All rooms have a minibar, which you can fill yourself.
