- Relaxation and wellness in our tango wellness oasis
- Wonderful, quiet panoramic location
- Wonderful hiking opportunities in the Ötztal
- Tango courses with Martin La Bruna & Andrea Bestvater

### Reisebeschreibung

We are looking forward to the "golden autumn" in the Ötztal in Austria. A fantastic tango week awaits us with Martin La Bruna & Andrea Bestvater in our "tango pampering hotel".

Our hotel is "uniquely beautiful" on a high plateau with a wonderful panoramic view of the front Ötztal

near Sautens. Here, in the friendly "Ritzlerhof", you can relax wonderfully and dance tango: Our dance room with 130 square meters offers the best parquet floor, a beautiful view and of course tango lessons at their best with Martin la Bruna & Andrea Bestvater.

We are surrounded by meadows, forests and mountains, we hear the birds chirping and we can fully enjoy our freedom "away from the hustle and bustle". Tango & slowing down from everyday life, a successful holiday combination!

The Ötztal Nature Park stretches from the valley up into high alpine areas formed by glaciers with majestic mountain ranges, waterfalls and lots of greenery. Here you can be active on both entertaining walks and challenging summit routes. Several hiking trails start directly behind the hotel, such as the one to the idyllically situated Piburger See, the warmest bathing lake in the Ötztal.

Here in the Ötztal we are surrounded by meadows and forests. We can fully enjoy our holiday "away from the hustle and bustle". Tango & slowing down from everyday life, a successful holiday combination in this region of Austria!

The Ötztal Nature Park stretches from the valley up into high alpine areas formed by glaciers with majestic mountain ranges, waterfalls and lots of greenery. Here you can be active on entertaining walks along the Ötz as well as on hikes. Several hiking trails start directly behind the hotel, such as the one to the idyllically situated Piburger See.

At the Ritzlerhof we can relax and recharge our batteries at the same time. The hotel is in a quiet, secluded location, far away from the hustle and bustle, noise and stress. A comfortably furnished house with lots of alpine flair and genuine hospitality awaits us.

Whether from the large terrace or the solar-heated outdoor pool: the panoramic view of the Ötztal Alps is unbeatable. You never want to leave here... at least that's how it was for us on our last tango trips.

The kitchen team spoils us with culinary delights. We start the day with an extensive breakfast buffet until 10:30 a.m. In the afternoon, from 3:00 p.m. to 5:00 p.m., we can also enjoy a snack with salty and sweet, cold and warm smaller dishes. We can eat these on the outdoor terrace or in the cozy, light-flooded lounge. For dinner, the "Gameza" restaurant serves a salad buffet and a multi-course menu with an Austrian-Mediterranean touch.

We can relax in the small but fine wellness area with four different saunas, as well as an indoor and outdoor pool and a cozy relaxation room - of course with a panoramic view.

Different room categories can be booked:

The standard rooms type "Jöchle" are rustically furnished. At around 19 square meters, they are rather small, but still comfortable and they have a small balcony. The classic rooms "Bärenkopf" are more spacious at around 23 square meters, they have a larger balcony and are tastefully furnished in an alpine style. The superior rooms "Kreuzjoch" offer a lot of comfort and space at 33 square meters. They are furnished with high-quality furniture and have a modern bathroom, as well as a balcony or terrace with direct access to the garden.

All rooms have a minibar, safe and a kettle.

The luxurious junior suites type "Wetterkreuzkogel" are around 37 square meters. In the comfortably furnished living/sleeping area there is a walk-in closet and a seating area with a minibar and an Illy coffee machine. The bathroom has a rain shower and a free-standing panoramic bathtub.

There are also some spacious suites with a separate living area, large terrace/balcony and some with their own sauna.

Prices and availability can be requested. The local tax is to be paid directly at the hotel.

### Tango

#### **Tango with Martin and Andrea:**

Martin La Bruna and Andrea Bestvater live in Buenos Aires and have been spending a few months a year in Europe for several years.

With a lot of sympathy and joy in teaching, the two manage to give each course participant the right feeling for tango.

Their lessons are characterized by humor and the noticeable joy in conveying their very aesthetic tango style. Their attention to each individual couple always gives the participants the feeling that they are the center of their attention. The two know how to teach in such a way that you have fun and return with a sense of achievement. The language they teach is easy to understand in English. Martin and Andrea have already been on tango trips with us several times and have impressed us every time, as their teaching is particularly natural and warm.

They also offer a solid basic work with a very good didactic structure for tango beginners with basic knowledge.

A total of 10 hours of lessons with Martin and Andrea are planned. In the evening we dance tango in the beautiful rooms of our hotel.
